

## ICABST2021 & WPCR2021

September 28-30, 2021

### Online Video Conference

As an annual gathering, the conference provides an extensive platform for scientists, researchers and scholars to present their research results and newest findings in all fields of Biological Science and Technology, especially in Biotechnology and Bioengineering, Biomedical Engineering, Clinical Medicine, Biopharmaceuticals and Pharmacology, Animal and Plant Sciences and other related topics, discuss the practical challenges encountered recommend better solutions for biotechnology and biomedicine. ICABST2021 will include keynote speeches, invited speeches, oral presentations and poster presentations. The conference certification will be issued to all attendees including listeners.

Besides, the ICABST workshop "International Workshop on Pharmaceutical and Clinical Research, WPCR2021" will be held simultaneously with ICABST2021. For more details about WPCR2021
